WHAT'S IN THIS ISSUE:

- Educational sessions
- Website & LMS
- Dissemination

EDUCATIONAL SESSIONS

The project continues its visits to different rural areas all over the island, covering both G/C and T/C communities. More than 1120 students of all ages, from 23 different schools interacted with robots in a creative and playful way, so far!

For more information about the areas covered, schools we have visited and schools we are about to visit, as well as for the material concerning the educational sessions, click HERE

Sign up, book your activity and be our next stop!

The CODE4RURAL project benefits from a grant under the Active Citizens Fund Cyprus programme, funded by Iceland, Liechtenstein and Norway, through the EEA and Norway Grants 2014-2021.
